BCS BODY CONVERSION SPREADER

Turns Any Dump Body into a Spreader

BCS Body Conversion Spreader can be used by itself through a dump body coal chute door or paired with the Wedge Tank Kit

BCS BODY CONVERSION SPREADER

Slides into any tailgate with a 24" coal chute opening.
Available in 10' to 15' lengths in 1' increments.

BCS BODY CONVERSION SPREADER WITH WEDGE TANK KIT

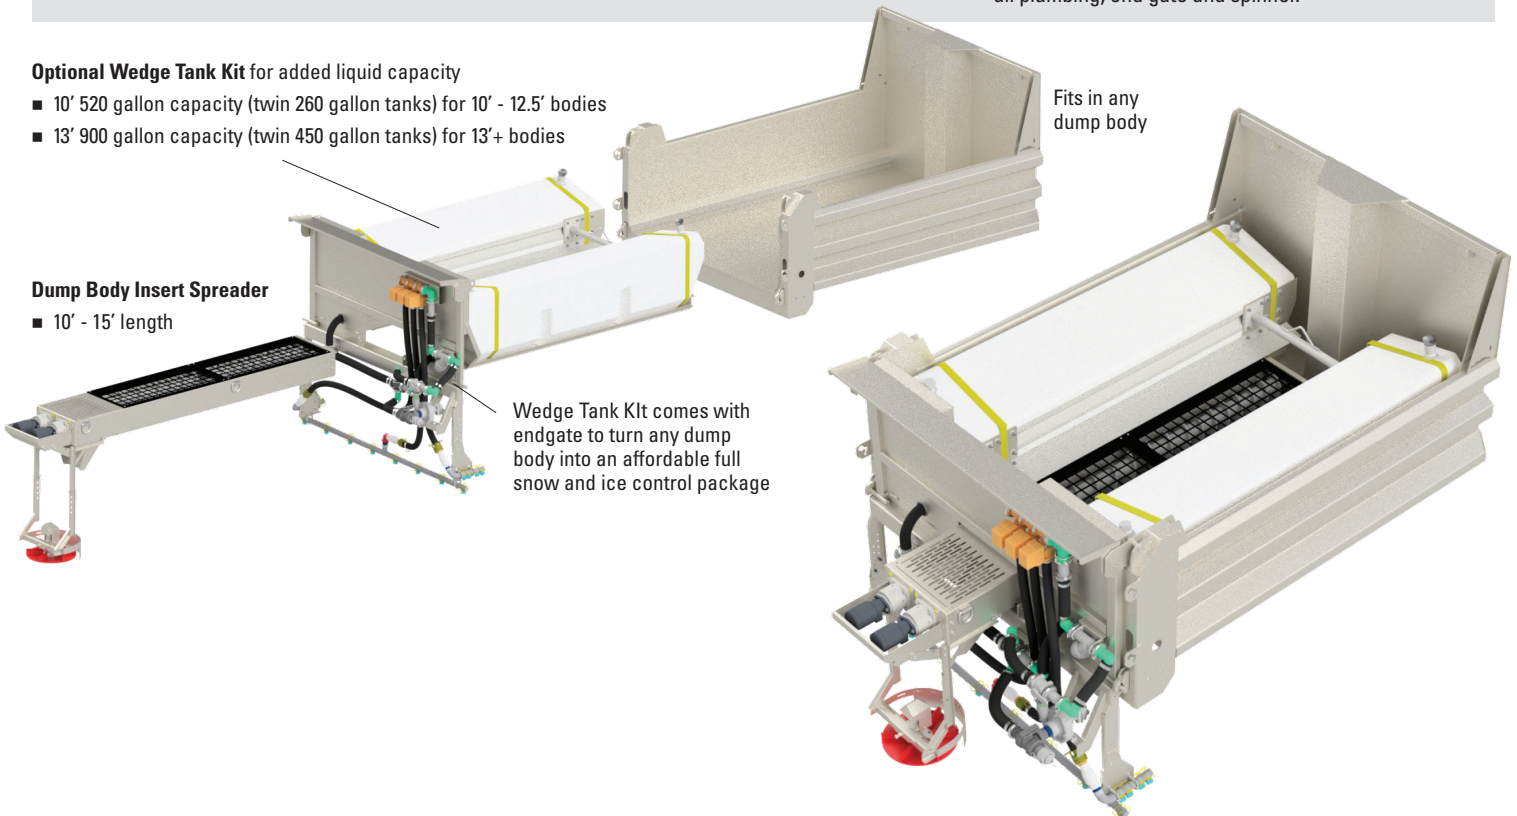

Slides into any dump body to add anti-icing and prewet capability.
A complete system with a BCS, frame, wedge tanks, dual augers, all plumbing, end gate and spinner.

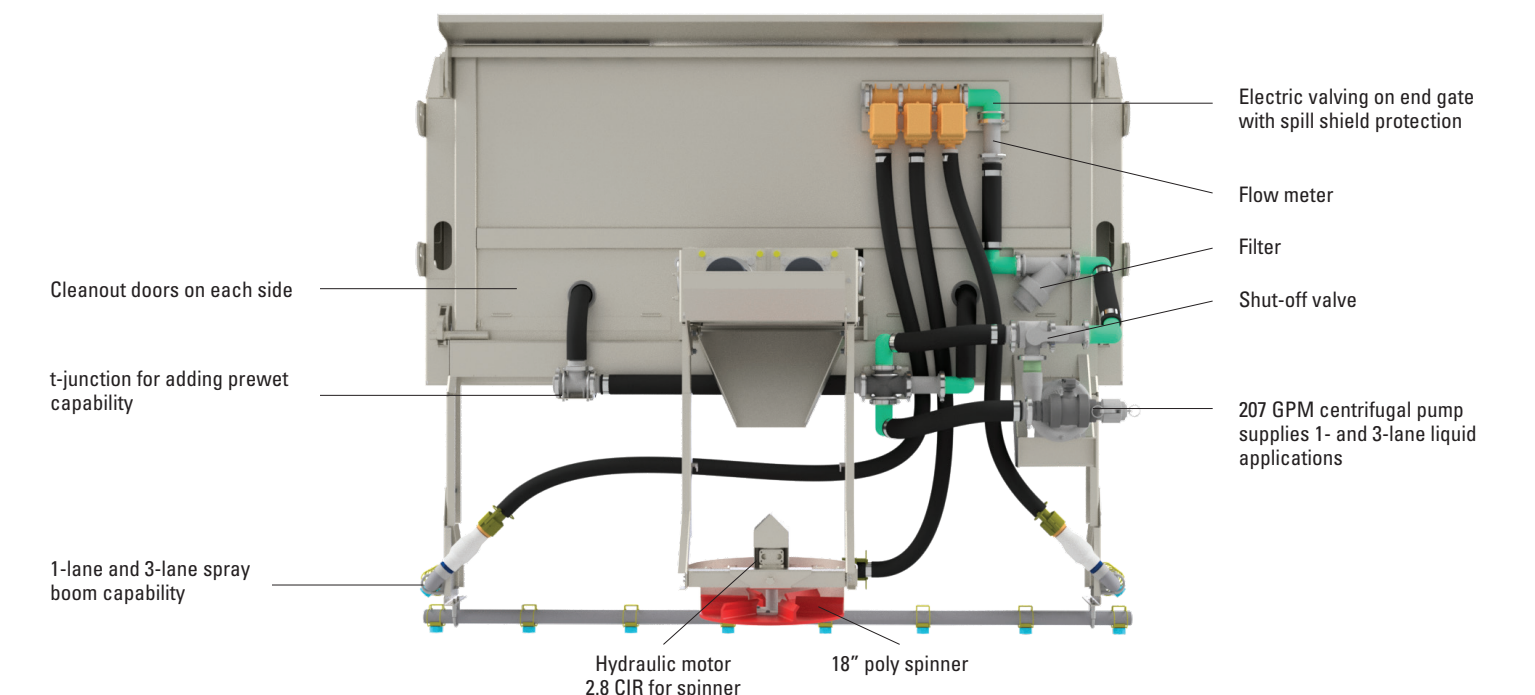

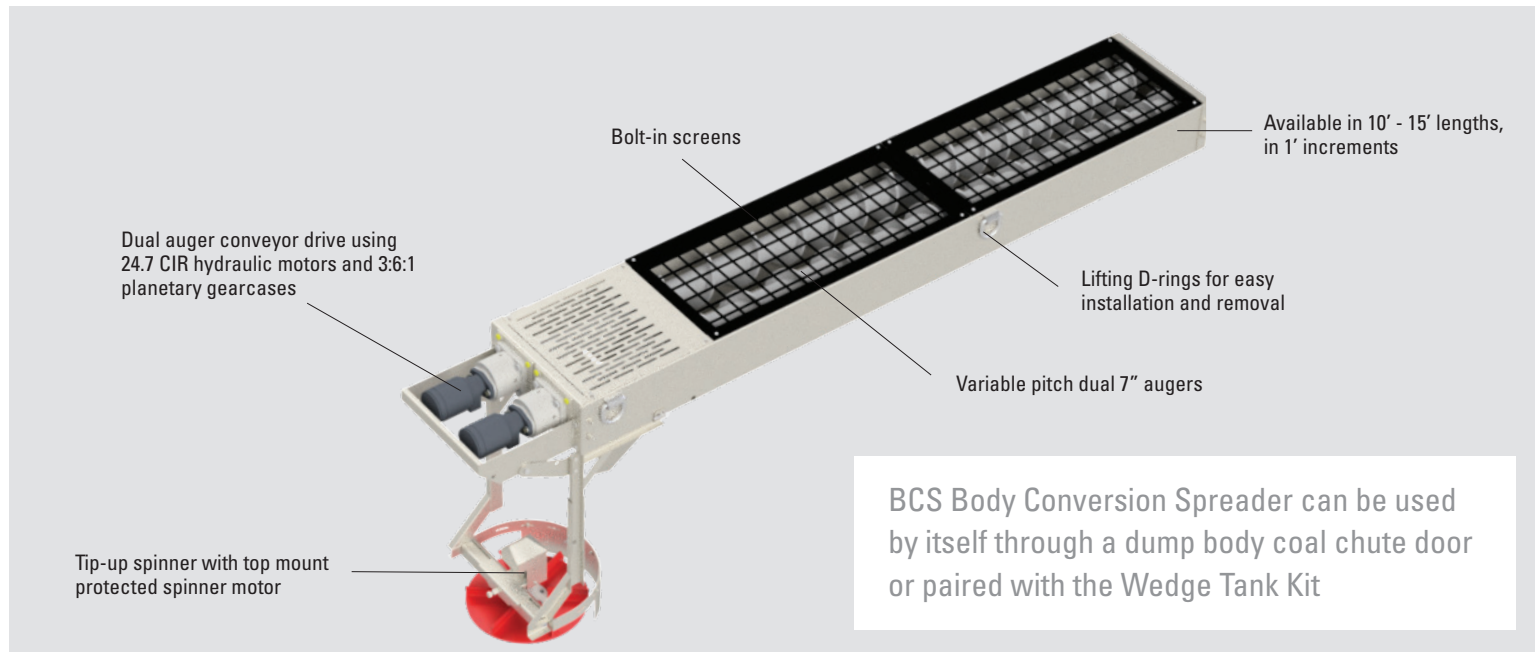

Optional Wedge Tank Kit for added liquid capacity

- 10' 520 gallon capacity (twin 260 gallon tanks) for 10' - 12.5' bodies
- 13' 900 gallon capacity (twin 450 gallon tanks) for 13'+ bodies

Dump Body Insert Spreader

- 10' - 15' length
